SUMMARY

Operations professional with 3+ years scaling processes and solving high-volume, financially-sensitive problems in fast-paced environments - from hospitality and ed-tech to Amazon FBA. Skilled at breaking ambiguous, high-volume problems into structured investigations: built SOPs adopted by 60+ team members that cut onboarding time by ~45%, and led data-driven root-cause analysis that reduced repeat financial-impact cases by ~28%. Comfortable working with data daily to find patterns and drive decisions. Seeking a Strategy & Operations role where structured problem-solving and data fluency scale a fast-growing business.

PROFESSIONAL SKILLS

- **Technical Skills :** Java, Spring Boot, DSA, SQL.

PROFESSIONAL EXPERIENCE

Support Operations Specialist | Amazon | 02/2025 - 12/2026 | Bengaluru, India

- Owned end-to-end investigation of 30+ complex FBA financial cases (inventory loss, reimbursement, policy) daily, breaking each into structured root-cause steps to reach 100% compliance accuracy.
- Used case data to identify recurring risk patterns and led a structured root-cause analysis process delivering data-driven results that reduced repeat financial/compliance-impacting cases by ~28%.
- Created SOPs and optimized workflows for defect prevention and reconciliation, and case investigations, reducing new associate onboarding time by ~45% and improving team efficiency by ~48%.
- Mentored and trained 40+ new associates on operational processes, investigation standards, SOP adherence, and internal tools, enabling faster ramp-up, consistent quality and compliance delivery.
- Recognized as top-performing Ops Associate for 9 months for exceeding SLA targets with accurate, high-volume case resolution.
- Partnered cross-functionally with stakeholders to escalate systemic financial/operational risks and drive process changes.
- Performed investigations for lost, damaged, and reimbursement-related cases while maintaining SLA adherence and exceeding team KPIs to ensure highest Seller Experience.

Student Success Specialist | BYJU'S | 09/2022 - 04/2024 | Bengaluru, India

- Managed a team of 10 mentors to deliver high-quality customer service while consistently meeting KPIs and SLAs.
- Led onboarding and training of new associates, improving integration and overall team performance through structured mentoring.
- Created weekly rosters, maintained operational trackers, prepared performance reports for workforce and management planning.
- Monitored, analyzed, and reported daily escalations and performance trends to management, providing actionable insights for process improvement and service enhancement.
- Conducted high-volume outbound engagement calls (4+ hours talk time and 45+ connected calls daily), improving customer engagement and increasing conversion rates from 9% to 33% within 2 months.
- Handled inbound customer queries, troubleshooting issues related to tablets and e-readers, and managed escalations by coordinating with internal and external stakeholders for timely resolution.
- Ensured smooth operational support by maintaining service quality standards, resolving customer concerns efficiently, and supporting day-to-day coordination activities in a fast-paced environment.

Regional Reservations Associate | TAJ Group of Hotels (IHCL) | 06/2022 - 09/2022

- Managed end-to-end reservations across 5 Taj hotel properties, handling 60+ daily reservations via phone, mail, fax, OTA, and central reservation systems, ensuring accurate records and clear communication of updates, cancellations, and changes to the front desk.
- Drove revenue optimization by determining strategic room rates and contributing to occupancy forecasts, helping lift occupancy revenue by ~23% across Chennai properties through in-depth knowledge of room categories, package plans, and credit policies.
- Delivered exceptional guest experience via 40+ daily inquiry calls, achieving an 85% customer retention rate by responding promptly, preparing confirmation letters, arranging client travel programs, and maintaining a courteous rapport with guests and employees.
